

# Building a Squirrel's Nest

"This is where a squirrel lives.  
We made a tree with big  
branches."

Fajar

"The branches are so strong for  
squirrels to climb on."

Maha

"If the branch isn't strong the  
nest will fall off the tree."

Maha

"The blocks are strong and the  
pinecones we have to be  
extra gentle with—like a nest."

Fajar
